Dear Sir

We would like to comment on the above planning proposal.

Due to the unusual layout of houses No1 and No2 Glebe Close this plan would block day/sunlight from

a southwesterly aspect especially during winter.

It would also mean that we loose privacy in the garden,garage and house.

We have a mature ornamental holly tree and other shrubs in that corner of our garden on document it

says none.

We believe this plan is out of character for a small cul-de-sac location.

Yours sincerely

Mr and Mrs C Smith
