Dear Mr Andrews,

Acolaid Case APP/15/00913: Development Site, 23 South Street, Havant: Discharge of Condition No/s 11 and 12 of Planning Permission APP/13/00830 and removal of Condition 9 of Planning Permission APP/13/00830

Thank you for your consultation. I would draw your attention to the Evaluation Report and subsequent Watching Brief Report on the archaeological excavations at 23 South Street that are included among the documents attached to the above application on your website. I commend both of these documents to you and to the Havant Borough Council Planning Committee. I am therefore happy to confirm to you and to the planning authority that I would have no objection to the discharge of the archaeological conditions (Conditions 11 and 12) at this time. I presume that the removal of Condition 9 is in connection with the discharge of Conditions 11 and 12.

Yours sincerely,

Neil J. Adam BA ACIfA
