

Thank you for your consulting memo regarding the above planning proposal for 'Land adjacent to car park, Broadmarsh, Harts Farm Way, Havant'.

The application is in respect of development on land owned by Havant Borough Council. The Committee responsible for the land is the Cabinet.

Having considered the proposals contained within the application, I do not consider that these will adversely affect this property. Indeed, it is a condition of the lease granted to the applicant by the Council in respect of the land that planning permission should be in place for the development described in the application.

Regards
