Subject: Planning app APP/15/00940

Hi Tina,

I've just received the acknowledgement letter for this application. As part of the resubmission my client has asked me to submit a written letter from them detailing their reasons for applying for this extension. Please see the attached letter.

Can I also please request a change to the description for the proposal based on the customer's description of the works in the attached letter? A description along the lines of porch and conservatory would be preferred.

Regards,

Neal Widdows
