LANE, EMSWORTH**

Dear Mrs. Haywood,

Thank you for your letter of the 14th May 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The dwelling itself is isolated and the garage is isolated from the dwelling. To provide for the security of the property I would recommend that an intruder alarm is installed within the dwelling and the garage.

The gate giving access into the courtyard garden should be fitted with a key operated lock that can be operated from either side of the gate.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,
