Hi Chris

Am I right in thinking the only amendment from the previous plan relates to identifying the private roads in the Convent Development? If so I hope to get the decision to you today.

Best regards

Daphney,

Many thanks again for getting an explicit reference to Beaconsfield Road in the Draft Travel Plan – this will help greatly.

However, I have been speaking to residents in Villa Gardens at the new Linden development and they already have problems with illegal parking. Could you possibly ask Churchill to add this road to their 'do not use' list to prevent similar problems down the line? As I believe you are aware the management of the Linden site will be taken over shortly by a management company and I am sure they will appreciate help in this area.

Many thanks!

David
