Dear Ms Rudzate,

Further to your email to Ms Duncan, I would confirm the overall content. I agree that your representation does involve a minor revision to the Emsworth settlement policy boundary and it would be outside the scope of the Core Strategy examination.

It will be appropriate to consider it through the Development Delivery (Allocations) Plan (DDAP). My initial assessment is that this is a minor change to the settlement boundary and whilst it must be fully assessed through the DDAP process it appears that it could be acceptable, albeit this is without prejudice to the fuller assessment.

I hope that this email clarifies the position.
