Dear Mrs. McMurray,

Thank you for your letter of the 13th June 2013 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The location is a fairly isolated location, which increases the vulnerability of the building to crime. To mitigate this to some extent I recommend that the external doors are certificated to PAS24 standard (or better) and the windows are certificated to PAS24:2012 standard (or better).

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
