Subject: APP/15/00519 - 73 Greywell, PO9 5AH (A1>C3 Conversion) - EH Comment Re_Contamination & Other

Daphney,

Please see attached. No adverse comment Re: Contamination, but it appears to me that this application falls outside the scope of PD / Prior Notification provisions - details included in the formal response.

In the event that a full plans application is required, Environmental Health would wish to be consulted.

Best Regards,

Jon
