Subject: Highway contribution for Rose in June

Hi Steve / Sally

Change of use from previous Public House to convenience store to A1.

As the Pub has been closed more than 5 years a highway contribution will be required.

Therefore taking the site as a retail in a Tertiary area this makes 17 trips per 100metres squared

The site is 359 Meters Squared

Cost per trip is £230

Therefore $(17 \times £230) \times (359/100) = £14,036$

Crediting for central refuge island allow £6,000

Therefore contribution would be £8,036

Regards
Tracey
