Dear Mr Squibb

Site Location: Petrol Filling Station, 97 Park Lane, Bedhampton, Havant, PO9 3HQ
Re: Single storey extensions to north and south elevations; installation of 2No. jet washes and additional parking.

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 30 April 2015.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 29 of the Town and Country Planning (Development Management Procedure) (England) Order 2010.

Reason: Ongoing discussions over the siting and acceptability of the proposed jet wash in relation to trees on site and neighbouring residential amenity has necessitated amended plans. In order to complete these negotiations and re-notify neighbours of a final amended layout it is necessary to extend the time limit on this application to 29th May 2015.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely

Mrs T Pickup
Planner
