Dear Heather,

Outline planning permission for 125 residential units and a water retention area all matters reserved except access and levels on land west of Horndean Road and south of Southleigh Road, Emsworth

Thank you for passing on the 'Geo-environmental / Geotechnical Site Assessment Report' pertaining to the above application (APP/14/00547), as a result of our request for additional information in our initial consultation response.

After reviewing this document, we do not believe the potential sterilisation of mineral resources by the proposed development to be significant. As the Minerals Planning Authority (MPA) for the borough of Havant, we raise no objection to this application.

Yours faithfully,

Lewis Smith
Assistant Project Officer
