Hi All

We are content that all matters raised can be addressed by Pip as our agent representing the Highway Authority.

Pip: If you would like to discuss anything in particular please give me a call.

Kind Regards
Holly

This is a report on the existing situation, which will be looked at by the Highway Authority and the Highway Agency , and will help with the programming of any maintenance work or any future modification that may be needed. The building of the 47 extra dwelling will not justify refusal of the application on the grounds of severe residual cumulative impacts of the development on the highway network. My recommendation for approval remains the same.
