4. Description of proposal

If the building was not in use immediately before 20th March 2013, what date was it last in use? (DD/MM/YY)

What was the use of the building immediately before 20th March 2013 or the last use before that date?

SHOP WITH STORE ROOM

Please specify (including any floor space that has already changed use to a dwellinghouse under Class 1A of Part 3 of Schedule 2 to the Town and Country Planning (General Permitted Development Order) 1995, as amended by SI 2014/564) the cumulative floor space of building which is proposed to change use to a dwellinghouse:

96m²

Please describe the proposed development, and provide relevant information on transport and highways, noise, contamination and flooding risks on site. A flood risk assessment should be provided with the application where the building is located in Flood Zones 2 and 3, and in Flood Zone 1 where an area which has critical drainage problems has been notified to the Local Planning Authority by the Environment Agency:

CONVERSION OF SHOP TO 1 BED & 2 BED FLATS

Please provide a view on the impact of the change of use on the provision of services and an assessment of how likely it is that the building could be occupied by another retail or financial/professional services use:

It is considered that the proposed change of use would have no impact on the provision of services in the area. The shop does not provide in any significant way for the local community.

It is very unlikely that the buildings would be occupied by another retailer or financial/professional service. Of the nine units on the west side of Elm Grove and the immediate vicinity, six are unoccupied and do not look as though they are likely to be occupied in the near future.

4. Description of proposal (Continued)

Where the building is located in a key shopping area, please provide a view on the impact of the proposed change of use on the sustainability of that shopping area:

The arrangement of commercial properties in this immediate area is such that the majority are on the east side of the road and there is no reason to cross the road. The two other units which are occupied on the west side are a restaurant and takeaway/hot food unit.

It is not considered that this is a key shopping area.

Please give a description of any exterior alterations which are proposed to the building, including information of any intended partial demolition reasonably necessary to carry out these works:

The shop front will be removed, together with the current door and window. The door will be relocated to a more appropriate position and two new windows installed appropriate for domestic purposes.
