

REFUSE STRATEGY:

Private Refuse Storage for houses is located in rear gardens and moved by residents on collection day, to kerbside (on curtilage) or collection points.

Private Refuse Collection is from kerbside, adjacent to the dwelling boundary or from collection points.

Communal Refuse Storage is provided for apartments.

● Private refuse storage locations, generally in rear gardens. Moved on collection day by resident.

● Kerbside refuse collection points for individual houses.

Travel Distances

----- Operatives - Generally 15m (25m max.)

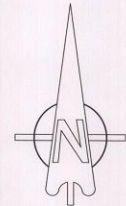

----- Residents - Generally <30m
