**COMMUNITY INFRASTRUCTURE LEVY REGULATIONS (2010)
REGULATION 65 DEMAND NOTICE**

Dear Sir/Madam

Demand Notice Ref	DN1
Date of Intended or Deemed Commencement	10/04/14
Liability Notice Ref	APP/13/01190/DN1
Location:	Site of Salvador Caetano Coach Builders, Hambledon Road, Waterlooville
Proposal:	Variation of Condition 35 of Planning Permission APP/12/00835 to amend the approved plans for the food store, car park, Petrol Filling Station and pedestrian ramp; those alterations to comprise extension to the atrium, minor alterations to the Petrol Filling Station Kiosk and a minor rearrangement of plant machinery on the roof.

Reason for issuing Demand Notice:

Development is deemed to have commenced;

The outstanding amount of CIL payable, including surcharges, that this Demand Notice relates to
(in pounds and pence):

Amount Due: £9,120.00

When will this amount be due for payment?

The above CIL amount is due for payment immediately (except if there is an appeal) and is subject to interest being added at [the Bank of England base rate, plus 2.5 percentage points]. Failure to pay this amount may lead to the CIL Collecting Authority taking enforcement action against you to penalise late payment and/or recover this money. This includes late payment surcharges of 5% of the CIL amount due which the CIL Collecting Authority may impose no earlier than 30 days after the CIL first became due for payment. See accompanying note 1 "Consequences of failing to pay CIL" for more information.

Method and receipt of payment

- Where payment is in the form of money, Havant Borough Council will issue a receipt for this payment.
- If you are not the applicant, works have not commenced on your land and you have not agreed for works to commence on your land, then under Regulation 69A of the Community Infrastructure Levy Regulations 2010 (as amended) you may make a request for a suspension of this Demand Notice until any such works are commenced. Please contact Sally Smith for more details.

Right of Appeal

You may appeal against any decision by the CIL collection authority to deem that development has commenced by doing so to the Planning Inspectorate within 28 days of receiving notice of such a decision by the CIL collection authority.

Note 1: Possible consequences of failing to follow the CIL payment procedure

This note sets out the possible consequences of not following the CIL payment procedure.

Surcharge for failing to assume liability before commencement

Failure to assume liability before the commencement of development may result in the CIL Collecting Authority imposing a surcharge of £50 per landowner subsequently discovered. This surcharge ensures that the costs of establishing the identities of landowners are borne by the liable parties.

Surcharge where apportionment is necessary

Further, where CIL collecting authorities have to apportion liability between one or more owners of the land, they may also impose a surcharge of £500 per owner. This is to ensure the costs of this apportionment are borne by the owners in question. Both these surcharges are in addition to the loss of payment rights that result from failing to assume liability before the commencement of development.

What happens if a valid Commencement Notice is not submitted before development commences?

Failure to submit a valid Commencement Notice before development commences may result in the CIL Collecting Authority imposing a surcharge of 20% of the CIL amount due, up to a maximum of £2,500.

Surcharge for failing to comply with an information notice

Failure to comply with any requirement of an information notice within 14 days of the notice being served, may result in a CIL Collecting Authority imposing a surcharge. This would be of 20% of the CIL amount due, up to a maximum of £2,500.

Late or non-payment

Late payment interest

Failure to pay CIL on time will result in the imposition of late payment interest by the CIL Collecting Authority at 2.5 percentage points above the Bank of England base rate.

Late payment surcharge

Continued failure to pay CIL may result in the CIL Collecting Authority imposing one or more late payment surcharge. Such surcharges will be imposed in the following manner:

- Five per cent of the outstanding amount where payment is still overdue after 30 days, subject to a £200 minimum
- Five per cent of the outstanding amount where payment is still overdue after six months, subject to a £200 minimum
- Five per cent of the outstanding amount where payment is still overdue after 12 months, subject to a £200 minimum.

The CIL stop notice

Sometimes collecting authorities may believe that interest and late payment surcharges will be ineffective in securing payment of the overdue CIL. In such circumstances, collecting authorities may decide to serve a CIL stop notice on the development in question. A CIL stop notice prohibits development from continuing until payment is made. Continuing to develop in the presence of such a notice is a criminal offence, punishable by potentially unlimited fines.

Before serving a CIL stop notice however, a Collecting Authority will first issue a warning to the person liable to pay the amount, the land's owners, occupiers and all those who the Collecting Authority will be affected by the notice. It will also post a warning on the site itself. This warning will state that continued non-payment may result in a CIL stop notice being issued. It will also set out the amount overdue and the number of days after which a CIL stop notice may be served if payment continues not to be made. If payment is not made by the end of this period, a Collecting Authority may serve a stop notice which will prohibit development with immediate effect immediately until payment of the outstanding amount is made.

Distrain on goods (asset seizure)

When you fail to pay CIL a Collecting Authority may seek a court's consent to seize and sell your assets to recover the money due. These assets may include any land you hold. The Collecting Authority must send you notice of its intention to do so beforehand.

Committal to prison

If you continue to evade paying CIL, the Collecting Authority can ask a magistrates' court to commit you to prison for no more than three months. To do this, the Collecting Authority must be able to demonstrate to the court that it has been unable to recover the CIL amount due by seizing and selling your assets and land.

Yours faithfully
