For Attention of Sally Smith

Dear Sir,

**Sainsburys Supermaket, Site of Salvador Caetano Coach Builders,
Hambledon Road, Waterloooville. Discharge of Condition No's 2, 3, 4 and
28 of Planning Permission APP/13/01190.**

Thank you for the opportunity to comment on the above application.

Condition 2 of planning permission APP/13/01190 reads:

"No development hereby permitted (except demolition and site clearance) shall commence until plans and particulars specifying the alignment, width, gradient and type of construction proposed for all footways, roads and individual accesses thereto (including all relevant horizontal cross and longitudinal sections) and the related provision to be made for street lighting and for surface water disposal and a programme for the implementation and making up of the same have been submitted to and approved in writing by the Local Planning Authority. The implementation and making up of the same shall be completed in full accordance with such plans and details before the use of the store commences".

A copy of the approved detailed design check and associated drawings have been provided as evidence to support the discharge of condition 2.

The County Council has previously considered the detail of these works through its Section 278 Design Check processes, and is satisfied with the level of detail provided, and that the condition can be discharged.

However it appears that the information supplied to you is incomplete as there are two separate Section 278 design checks that were considered by the County Council relating to this site. The approved detailed design check

Director of Economy, Transport and Environment
Stuart Jarvis BSc DipTP FCIHT MRTPI

relating to the Maurepas Way pedestrian ramp works should be provided to you prior to removal of this condition.

I hope the above is clear. If you have any questions please do not hesitate to contact Holly Drury on 01962 826996.

Yours sincerely
