Dear Havant Borough Planning

RE: APP/14/00331 8 Langstone Road, Havant

I have no objection to the removal of the highway tree to facilitate the development access providing that;

- a suitable, substantial replacement tree is planted back within the highway.
- tree species, stock size, position and planting detail to be agreed with HCC Arboriculture prior to removal of the existing subject tree.
- Tree and stump removal costs are met by the developer
- Post planting tree maintenance and costs thereof to be agreed with HCC to ensure tree establishment

I hope this is acceptable and can be included as part of the planning conditions.

Happy to discuss further as required.

Regards
