1.0 INTRODUCTION

1.1 Odyssey Markides LLP have been instructed by Highwood Residential Ltd to prepare a Travel Plan Statement for a proposed 50 flat Extra Care facility at Dukes Meadow, Waterlooville, Hampshire; refer **Figure 1** for the location of the site and **Appendix A** for the site masterplan.

1.2 An outline planning application was submitted and granted approval for 38 units in January 2012, Havant application no. APP/11/00015 & Winchester application no. 10/03253/OUT.

1.3 The site is being developed into an Extra Care facility whereby care is available for residents if required. As residents needs change so can the level of care they receive without the need to relocate. This Travel Plan Statement is focused on providing information for the future residents, employees and visitors to the site.

1.4 Accordingly the employees, visitors and residents could potentially be influenced to use more sustainable modes of transport to access the site.

1.5 This Travel Plan will evolve over time; however at this planning application stage it provides the initial detail.

Policy Statement

1.6 Travel Plans are an effective and valuable tool in helping to reduce the traffic impact of residential and commercial developments. They outline and assist with the delivery of initiatives to provide residents and occupiers with alternatives to travelling by private car.

1.7 Accordingly this Travel Plan sets out proposals which aim to:

- Minimise the number of car journeys to and from the site;

- Maximise the locational benefits of the site by promoting the use of and providing traveller information on public transport, walking and cycling (as applicable); and
- Reduce the impact of service vehicles to the site.

1.8 These aims accord with Hampshire's Sustainable Community Strategy 2008 – 2018 (December 2008).

Site Introduction

1.9 The development will comprise of a 50 flat Extra Care facility consisting of 19no 1 bed flats and 31no 2 bed flats with associated parking and landscaping. There will be 30 car parking spaces consisting of 20 residential spaces (four being disabled spaces) and 10 staff parking spaces.

1.10 Vehicular access to the site will be from a newly constructed residential road, Foxtail Road. A 2.0m wide footway will be provided parallel to the vehicular access and along the site frontage, whereby, access can be gained to a 3.0m shared footway / cycleway.

Travel Plan Structure

1.11 **Section 2.0** of this Travel Plan Statement sets out the existing conditions in the vicinity of the site, including the highway network, pedestrian and cycle accessibility of the site and the accessible public transport network.

1.12 The objectives of the Plan are set out in **Section 3.0**, whilst **Section 4.0** describes the measures to be implemented, by which the objectives will be attained.

1.13 Finally, **Section 5.0** sets out how the Plan is to be managed, including its ongoing management, targets and monitoring.

2.0 EXISTING ACCESSIBILITY

2.1 This section discusses the local highway network in the vicinity of the site and the accessibility of local facilities by foot, cycle and public transport.

Local Highway Network

2.2 The site fronts onto Darnel Road, a single carriageway road with a 3.0m wide shared footway / cycleway on the eastern side and a 2.0 wide footway on the western. It has been provided as part of the larger West of Waterlooville Major Development, Havant planning application number 05/40000/000, which includes the redevelopment of Old Park Farm to serve the new estate. **Figure 1** demonstrates the local highway network in the vicinity of the site.

2.3 At its northern end Darnel Road forms a signalised junction with the B2150 Hambledon Road whilst at its southern end it becomes Darnel Crescent which then becomes Auger Row.

2.4 Darnel Crescent and Auger Row are single carriageway roads 5.5m wide. A shared footway / cycleway has been provided on the eastern side of the carriageway whilst a 2.0m wide footway has been provided on its western side.

2.5 The B2150 Hambledon Road provides a connection to Hambledon & Droxford to the north-west and Waterlooville & Havant Town Centres' to the south-east. Access can also be gained to the A3 and the A3(M) within Waterlooville. The A3 / A3(M) provides a connection to Petersfield, Guildford and London to the north and Portsmouth to the south.

2.6 Further to the south, via the A3 and A3(M), connections to the M27 and the A27 are gained. These provide links to Hedge End, Southampton, Chichester, Worthing and Brighton respectively.

2.7 The A32 which runs north to Alton is also accessible to the north-west, via the B2150 Hambledon Road.

Walking & Cycling

2.8 As part of the larger overall West of Waterlooville Major Development all surrounding roads have 2.0m wide footways as such there are good continuous existing pedestrian links connecting to Waterlooville with dropped kerbs provided at junctions. All paths are in good condition and of an appropriate size.

2.9 Shared facilities for pedestrians and cyclists have also been provided within Waterlooville. This is the case along the B2150 Hambledon Road between Denmead, to the north-west, and Waterlooville Town Centre, to the south-east. These facilities allow for safe traffic free off-road journeys to be made.

2.10 Access can also be gained, within Waterlooville Town Centre, to National Cycle Network (NCN) Route 222. NCN Route 222 provides a combination of signed on and off road routes between Clanfield, to the north, and Portsmouth, to the south.

2.11 **Appendix B** contains a copy of the Cycling in Havant Network Map which indicates the extent of existing cycle routes and how access can be gained to buildings and places of interest in Waterlooville and the surrounding areas.

Public Transport - Buses

2.12 The nearest bus stops are located directly opposite the development, c.200m to the north-east, on the B2150 Hambledon Road, whereby regular access can be gained to bus route X9 and 300.

2.13 Bus route X9, operated by FirstGroup, runs between Gunwharf Quays in Portsmouth City Centre and Hambledon via Cosham Queen Alexandra

Hospital, Waterlooville and Denmead at a frequency of one bus every half hour Monday to Saturday. In addition bus route 300 runs one bus on Wednesdays between Denmead and Chichester via Waterlooville.

2.14 Access to further bus routes, services 7 and 39, can be gained via Milton Road c.1km to the south-east.

2.15 Bus route 7 operates between Southsea and Waterlooville via Cosham and Crookhorn at a frequency of one bus every 10 minutes Monday to Saturday and every 20 minutes on Sundays.

2.16 Route 39 runs between Havant and Waterlooville via Leigh Park and Wecock Farm at a frequency of one bus every 10 minutes Monday to Saturday and hourly on Sundays.

2.17 **Appendix C** contains the full timetable information and route maps.

Local Facilities

2.18 The area surrounding the site comprises of residential homes a recreational facility and local shops, where the day-to-day needs of future residents can be catered for.

2.19 There are a number of facilities that can be accessed from the site by sustainable modes of travel; walking, cycling or public transport. These include, but are not limited to:

- Local shops on Hambledon Parade (250m), including a post office, cafe, betting shop, hairdressers and laundrette;
- The Falcon Public House on Hambledon Parade (250m);
- Waterlooville Health Centre on Dryden Close (1km);
- Jubilee Park on Milton Road (1.1km);
- Wellington Retail Park on Aysgarth Road (1.2km);
- Sainsbury's Superstore on Hambledon Road (1.4km);
- Denmead Golf Course on Furzeley Road (1.5km);

- Asda Superstore on Portland Road (1.8km); and
- Waterlooville town centre (1.8km).

2.20 Safe lit routes to the local shops and beyond demonstrate that the development is within easy walking distance of everyday facilities for potential future residents.

3.0 AIMS, OBJECTIVES AND TARGETS

3.1 This section outlines the aims, objectives and future targets of the Travel Plan Statement.

Aims and Objectives

3.2 The overarching aim of this Plan is to reduce the need to travel and encourage employees, visitors and residents to travel sustainably by providing a choice of travel modes (foot, cycle and public transport) in order to minimise car trips, but especially cars carrying only one person.

3.3 These objectives will seek to help the site achieve, or exceed, the future mode share targets. Once the actual mode share for the site has been obtained then the future mode share targets of the development will be set and updated in accordance with Hampshire County Councils (HCC) guidance.

Targets

3.4 The main targets to be met by this Travel Plan Statement are with respect to:

- I. Mode Share;
- II. Car trip rates (a measure of the average number of car trips made per staff member, visitor or per residents bedroom);
- III. Uptake of alternative, non-car, travel modes; and
- IV. Travel Plan awareness.

3.5 It is proposed that a manual classified count (MCC survey) be undertaken, for one day following the 42nd flat occupation (85%) of the development, at the site vehicle access points to allow travel mode trends to be identified.

3.6 Future targets will be set following the results of these initial surveys to ascertain the actual mode share when the site is occupied. These will seek to

increase the proportion of journeys by foot, cycle and bus, whilst reducing car use.

Awareness

3.7 Section 9.16 of the Department for Transport document 'Using the Planning Process to Secure Travel Plans, Best Practice Guide 2002' states:

'Research into 20 travel plan best practice case studies in UK indicated that on average, there were at least 14 fewer car journeys per 100 staff representing a reduction of at least 18% in the proportion of commuter journeys being made by car drivers. The guidance based on this research suggests a modal shift target between 10% and 20% reduction in employee car use over three years is reasonable'.

3.8 This shows that Travel Plans with local awareness can lead to a reduction in private vehicle journeys; hence why targets are to be set to achieve these goals.

3.9 In order for the Travel Plan to be successful, awareness of the plan must be high among employees, visitors and residents of the development. This information could be used as a qualitative measure of the willingness of these people to change their travel behaviour.

4.0 TRAVEL PLAN MEASURES

Introduction & Summary Action Plan

4.1 This section of the Travel Plan Statement outlines the measures to promote travel by modes other than the private car to and from the site.

4.2 Travel by sustainable modes can have many benefits, including:

- Lower journey costs;
- Less pollution (emissions, noise);
- Health benefits (walking and cycling);
- Creating a sense of community;
- Less congested, safer roads.

4.3 This Plan should not be seen as anti-car, as travel by car is often desirable and convenient. The measures in this Plan instead aim to reinforce the availability of other methods of travel, such as walking, cycling and public transport, and to inform employees, visitors and residents of the site about the availability and benefits of the alternatives, that they may not know about or may not have considered.

4.4 The package of proposed measures comprises the:

- Appointment of a 'Travel Plan Coordinator';
- Promotion of walking and cycling;
- Promotion of bus services;
- Promotion of car sharing;
- Provision of travel information;
- Provision of appropriate levels of car parking;
- Provision of *Travel Packs*.

4.5 These measures are described in more detail in the following sub-sections whilst the preliminary Action Plan set out at **Table 4.1** relates them to the aims, objectives and targets set out in **Section 3**.

Table 4.1: Preliminary Action Plan

Target	Measures / Initiatives	Tasks / Actions	Responsibility	Timescale of Tasks / Action	Review
Appoint Travel Plan Co-ordinator	See below	See below	Travel Plan Co-ordinator	Prior to first occupation	Ongoing
To reduce the proportion of trips undertaken by car	All of measures below plus:				
	Levels of car parking provision	Provide as set out in the Transport Statement	Highwood Group Limited in liaison with HCC	Prior to first occupation	
	Promotion of car sharing	Promote on-site notice board	Travel Plan Coordinator		Annually
To increase bus mode share	Promotion of bus travel	Promote on-site notice board	Travel Plan Co-ordinator		Annually
To increase cycle mode	Provision of on-site cycle parking	Design, procure and install	Highwood Group Limited in liaison with HCC	Prior to first occupation	
	Promotion of cycling	Promote on-site notice board	Travel Plan Co-ordinator		Annually
To increase walking mode share	Provision of on-site facilities	Design and construct	Highwood Group Limited in liaison with HCC	Prior to first occupation	
	Promotion of walking	Promote on-site notice board	Travel Plan Co-ordinator		Annually
To make employees, visitors and residents aware of the Travel Plan	Provision of Travel Packs	Design and compile contents	Travel Plan Co-ordinator	Prior to first occupation	Six monthly or sooner if timetable changes warrant

Travel Plan Coordinator

4.6 When implementing the Travel Plan the developer will appoint a Travel Plan Coordinator (TPC), as is normal practice, to operate and maintain the Travel Plan. The TPC will be appointed prior to the first occupation.

4.7 The TPC monitors the success of the Travel Plan and works with the local authorities, public transport operators and other interested parties. The TPC is also responsible for arranging review meetings involving representatives of the occupier, who in this case would be the Extra Care facility manager and the local planning and highway authority.

4.9 The TPC will be responsible for the following:

- Acting as the contact regarding the Travel Plan;
- Overseeing the full implementation of the Travel Plan;
- Promotion and encouragement, including publicity, towards employees, visitors and residents use of travel modes other than the private car;
- Ensuring that a 'Travel Pack' is provided containing information on alternative modes of transport;
- Negotiating cycles and cycle accessory discounts with local suppliers;
- Liaising with the Local Planning Authority, Highway Authority and other external organisations, such as public transport operators;
- Co-ordinating and promoting a car sharing scheme;
- Providing an initial point of contact for any transport related issues that employees, or indeed visitors and residents, may have;
- Commissioning traffic surveys and monitoring reports; and
- Ensuring that all travel literature supplied in the 'Travel Pack' is maintained for issue.

Promotion of Walking & Cycling

4.10 The layout of the site will promote pedestrian and cycle accessibility through good design. The access road will have a 2.0m footway on both sides, leading from Darnel Road. A shared footway / cycleway is also easily accessible from the B2150 Hambledon Road to the site for pedestrians and cyclists.

4.11 The design of Darnel Road and Foxtail Road, leading to the Extra Care facility, ensure high quality provisions for pedestrians and cyclists, by providing clear signage, and encouraging low traffic speeds, by providing speed control measures such as bends to avoid long straight sections where speeds may build up. These measures will help make car drivers more aware of pedestrian and cycle activity.

4.12 To promote walking as the primary mode of travel, where applicable, maps and routes to key destinations, such as shops and the town centre will be provided on an on-site notice board and within the 'Travel Pack'.

4.13 Safe and secure cycle parking will be provided on-site in the form of 'Sheffield' stands. There will be provision of showers, changing facilities and lockers at the site for employee use throughout the day.

Promotion of Bus Services

4.14 Employees and residents will be provided with bus route maps including the location of the nearest bus stops to the site and given detail of up-to-date bus fares; this will be contained within the 'Travel Packs'. This information will also be provided for visitors on an on-site notice board.

4.15 Significantly, the developers will provide a financial contribution to HCC for a bus travel incentive scheme for employees, and residents where applicable, of the site. This will enable employees to obtain discounted bus travel for an initial period. It is envisaged that this scheme will be implemented / administered by the TPC in conjunction with HCC who will be holding the funds.

4.16 Weekly (and longer period) season tickets are also available from the local bus operators, which allow reduced cost bus travel within Waterlooville. These will be advertised through the 'Travel Pack'.

4.17 The local bus stops that serve Routes 7, X9, 39 and 300 are easily accessible from the site and have been described in **Section 2**. These will be further promoted through the 'Travel Pack'; refer **Paragraphs 4.25 – 4.27**.

Promotion of Car Sharing

4.18 Information will be provided to employees regarding the car sharing scheme, 'hants.liftshare.com'.

4.19 Car sharing is where two or more people, who currently make a similar journey independently in separate cars, start travelling together sharing the cost of the journey. Benefits of car sharing include:

- Reduced travel costs;
- Less congestion and pollution;
- Reducing parking problems (less single occupant cars = more parking spaces available).

4.20 Providing information regarding the car sharing scheme also has the potential to reduce single occupancy car journeys, and thus reduce the number of car journeys to and from the site. It should be noted that on a site such as this the degree of car sharing would be limited.

Travel Information

4.21 A board showing travel information will be displayed at the site. This board would be likely to show the following information:

- a map highlighting pedestrian and cycle routes and bus stops in the local area;
- relevant bus timetable and route information; and
- telephone numbers and website addresses where additional travel information can be obtained.

4.22 The travel information board would be kept up to date by the TPC.

Car Parking Provision

4.23 Parking within the site will be provided at a suitable level for the size and use of the proposals, as set out in the accompanying Transport

Statement, in accordance with Havant Borough Council and Winchester City Council parking standards.

4.24 There will be 30 car parking spaces consisting of 20 residential spaces, four of which will be for people with disabilities, and 10 staff parking spaces.

'Travel Pack'

4.25 All the travel information described in the Travel Plan will be brought together into a 'Travel Pack' for employees and residents of the site. This will contain a range of information relating to travel to the site. The final content of the pack will depend upon up-to-date information at the time of issue, but the pack is likely to include:

- Contact details for the TPC;
- Local Facilities map, including the nearest bus stops, shops and town centre facilities;
- Pedestrian, cycle and public transport network maps and information, including typical journey times, routes to local facilities;
- Information on the health benefits of walking and cycling, through the use of websites such as www.walkit.com;
- Full set of published timetables for bus services operating in and through Waterlooville, including contact details for operators;
- Pocket public transport guide for routes serving the development;
- Cost comparison details between non-car modes of travel and car travel;
- Travel Vouchers, upon request, for every employee and resident of £50 to be put towards the following:
 - o Season ticket for local bus services;
 - o Contribution towards bicycle / equipment purchase.
- Contact details of local taxi companies, used to avoid the need to own or use a private car;

- Information regarding local businesses selling bicycles and protective clothing and providing cycle maintenance services;
- Internet links to local authority road safety information relating to walking, cycling and vehicle speeds;
- Information leaflets on car sharing schemes available in Waterlooville, if applicable;
- Information on initiatives and proposals detailed in this Travel Plan; and
- Information on sources of travel information (telephone numbers and internet links), such as:
 - o National Rail Enquires (www.nationalrail.co.uk)
 - o Transport Direct (www.transportdirect.infoWeb2/Home.aspx)
 - o Traveline (<http://traveline.info/>)

4.26 The 'Travel Pack' will be produced by the developer, and will take the form of an A5 ring binder, so that information can be updated in new packs. Third party leaflets and information will be required and permission to use the information will be sought.

4.27 A summary of the Travel Plan will be provided as an 'introductory' flyer to the 'Travel Pack'.

5.0 MONITORING THE TRAVEL PLAN

Introduction

5.1 This section outlines how the Travel Plan is to be monitored to ensure that the aims of the plan are delivered in practice.

Baseline Data

5.2 When the Extra Care facility is 85% occupied initial surveys, as described in **Section 3**, will be undertaken; this data will form an initial baseline of trips and mode share for travel to and from the site.

Targets

5.3 The Travel Plan targets will be set following the initial surveys at the site following the 42nd flat occupation (85%), refer **Section 3** of this report for further detail.

5.4 Targets will be set to reduce car trips, especially single occupancy, and increase walk, cycle and public transport trips to and from the site.

Monitoring

5.5 The TPC will be responsible for the monitoring of employee, visitor and resident travel patterns, in accordance with the TRICS UK Standard Assessment Methodology (SAM). These surveys will be co-ordinated by the TPC by commissioning directly through TRICS. The surveys will be undertaken in years 1, 3 and 5 following final occupation of the site.

5.6 In addition travel questionnaire surveys of employees, visitors and residents will be commissioned annually by the TPC as part of the monitoring process to gain a better understanding of travel behaviour for the site – further details are provided in **Paragraphs 5.9 – 5.11**.

5.7 The monitoring will include items such as:

- Number of Extra Care occupants, visitors and employees;
- Modal split by questionnaire;
- Review of transport initiatives;
- Response to car sharing;
- Employee, visitor, and where applicable residents, response, participation and views;
- Content and effectiveness of information supplied to employees, visitors, and where applicable residents; and
- Development of new initiatives.

5.8 The monitoring program will be developed in conjunction with HCC to ensure that the monitoring procedures are appropriate. The developers will fund the data collection through a contribution to be set out in the Section 106 Agreement.

Travel Surveys

5.9 One of the main ways of monitoring the plan will be by conducting travel surveys of the employees, visitors and residents of the site. Travel surveys will be commissioned by the TPC.

5.10 An initial baseline travel survey based upon travel questionnaires will be conducted following the 42nd flat occupation on the site, in order to provide a reasonably large sample, and to allow travel patterns to be established. Further monitoring will then take place every 12 months, to assess travel mode shares and to identify if annual targets are being met.

5.11 It is envisaged that questionnaires will ask employees and visitors about all aspects of their travel. This will likely include the following for each typical journey:

- Mode of travel (if by car this will differentiate between drivers and passengers);
- Origin and destination;
- Time of departure from home & arrival at destination; and
- Trip purpose.

Monitoring Reports

5.12 The TPC will commission annual Monitoring Reports, based upon the travel survey results which will be held on a travel database. Monitoring will start following the initial travel surveys.

5.13 The findings will be presented to HCC to assist the local authority in their assessments of the success of the Travel Plan. Monitoring will continue at annual intervals from the 42nd flat occupation of the development for a further period of five years.

Review of Targets

5.14 Following submission of the annual Monitoring Reports, the TPC will in liaison with HCC, review them in order to assess the effectiveness of the measures implemented and identify areas where modifications may be necessary. In particular the following will be assessed:

- Modal split;
- Demand for car and cycle parking on-site; and
- Recommendations for future use and user satisfaction.

5.15 The TPC will examine the need to alter the targets and / or the prioritisation of the measures which aim to achieve them, e.g. when targets have already been achieved and address new issues as required, such as increasing the number of cycle parking spaces provided on-site.

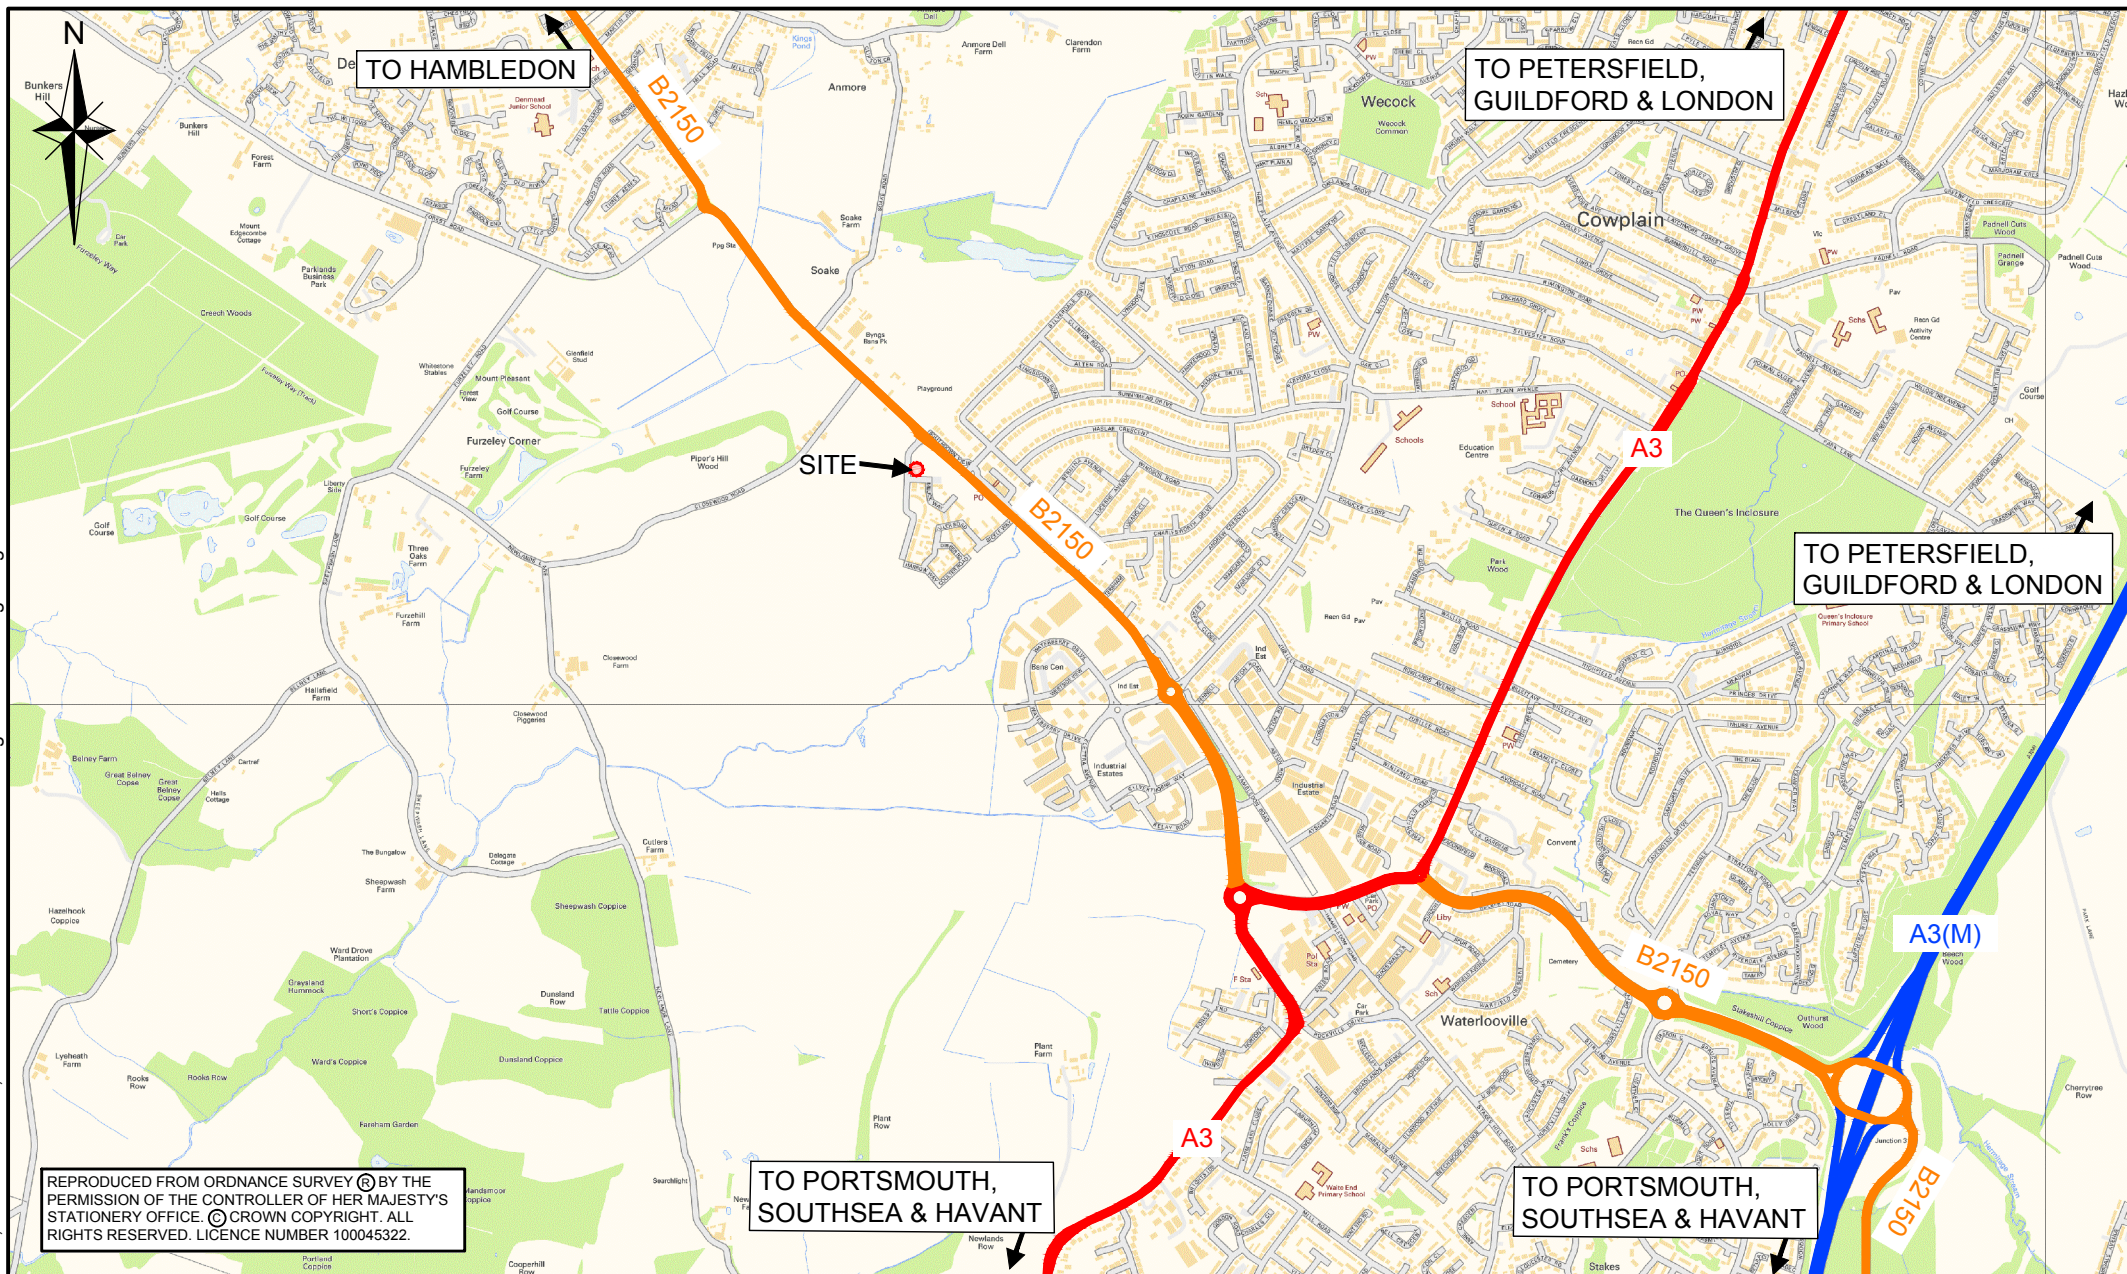

5.16 The developers are committed to the delivery of the Plan through legal and financial obligations to be contained within the Section 106 Agreement. Any re-prioritisation of existing measures or the instigation of new measures will be within the limits of the overall budget, however the developers will use their reasonable endeavours to maximise the use of the agreed resources.

Enforcement

5.17 Should the review of the final five year Travel Plan targets not be met then further enforcement action may be required. This would include a second round of travel vouchers to be issued to employees.

Cycle Network Maps

Highway Code for Cyclists

Remember - the Highway Code applies to cyclists as well as other road users.

Cycle signs

- It is illegal to cycle on the pavement, unless signs say otherwise
- You must obey all traffic signs and signals.
- Please refer to The Highway Code for further detailed information. www.direct.gov.uk/highwaycode

Here is a selection of the most commonly used road signs for cyclists.

- Route recommended for cyclists on main road
- Route to be used by cycles ONLY
- Shared pedestrian and cycle route
- Segregated cycle and pedestrian route
- Contra-flow cycle route
- Cycle and bus route
- With-flow cycle lane ahead (a solid line prohibits all other vehicles)
- Warning (for motorists) Cycle route ahead
- No cycling
- Motor Vehicles Prohibited (Cycles permitted)

Cycle safe:

- You must display front and rear lights at night, as well as a rear reflector
- Wear bright or reflective clothing for extra visibility
- For your own safety - always wear a safety helmet
- Always lock your bike

Produced by Lovell Johns Ltd.
© Havant Borough Council 2013.
Contains Ordnance Survey data © Crown copyright and database right 2013.

Signs and Lines

- Off road cycle track (hard surfaced)
- On-road cycle lane
- Bus and cycle lane
- Cycle network link (designated)
- Suggested link route (not designated)
- Bridge or other track available for cyclist use (typically loose surfaced)
- One way traffic INCLUDING CYCLISTS
- Controlled crossing
- Cyclists beware - difficult junction, barriers or steps
- Cycle parking
- At Stations and most public buildings have cycle parking facilities
- Cycle Shop

Buildings and Places of interest

- Public toilets
- Church
- Caravan site
- Other places of interest
- Mainline railway station
- Narrow gauge railway station
- Bus interchange
- Ferry terminal
- South Downs National Park boundary
- Woods and forests
- Parks and other open spaces
- Countryside and arable
- School or college
- Shopping area/retail park
- Blue Flag beach

Hampshire
County Council

Introduction

June 2014 Edition

This Travel Guide has been produced to provide you with information on the range of transport choices available in your area. It includes details of all bus, train, coach and other types of transport.

Before you go . . .

Please note that bus times may change at short notice and if your journey time is critical you are advised to call Traveline on 0871 200 22 33.

How to Find the Bus you Need

The 'Index of Places Served' will show you which routes serve the places you wish to travel to. Many services have different timetables for weekends and evenings, check carefully for the time you wish to travel.

Catching the Bus

Please arrive at the bus stop with a few minutes to spare and signal clearly by raising your arm when your bus approaches. Have a selection of change or your pass ready when you board and hold on tight until you are in your seat. Ask the driver if you wish to be seated before the bus moves off. When you wish to get off, ring the bell in good time.

Public or Bank Holidays

Most bus or train operators run Sunday or special services on Public or Bank Holidays, including other days around Christmas and New Year. Check with the bus/train operator before you go or call Traveline.

General Enquiries

Traveline can provide you with details of journey times. For ticket and fare information contact the operator who runs the service.

Timetable Changes

Bus companies can change their services at short notice. This Travel Guide is up to date at the time of going to print, but changes may occur from the publication date. If in doubt please check with Traveline.

Hampshire County Council's Role

The County Council produces travel guides in order to provide you with travel information. We try our best to make sure this guide is correct. If you spot a mistake please let us know. The bus services shown are not operated by Hampshire County Council. We cannot accept responsibility for any loss, damage, injury or inconvenience caused by the cancellation, delay or diversion of a service.

Suggestions and Complaints

If you have a suggestion or complaint to make about a service please contact the operator. Should the operator fail to provide a satisfactory reply, then contact Bus Users UK or Passenger Focus. If it is a bus service supported by the County Council (identifiable by a  on the timetable) we would also like to hear from you. Write to: Head of Passenger Transport, Hampshire County Council, Economy, Transport & Environment Department, 48-52 Capital House, Andover Road, Winchester, Hants, SO23 7BH.

School Terms and Public Holidays 2014

Summer Term 2014

2 June - 23 July

Autumn Term 2014

2 September - 24 October

3 November - 19 December

Public Holidays 2014

25 August, 25/26 December

**Calls to 0845 numbers are free on some BT call plans but will cost between 4p (local rate) and 6p (national rate) per minute for BT customers not on a plan. Calls made using other service providers or mobiles may cost more. Alternatively call 01329 225398 - standard and local rates may apply to this number.*

A carshare is similar to a bus service except that a taxi/car picks up pre-booked passengers instead of a bus. Fares are similar to bus fares and concessionary passes may be used on the services in accordance with the rules of the scheme.

For more information please call 01962 846786 or go to www.hants.gov.uk/taxishares

Hayling Island - Portsmouth via Ferry

Mondays to Fridays

The full timetable shown below will apply from 25th May to 31st August 2014 only. Until 24th May and from 1st September 2014, except at peak times, the ferry will sail only if requested, with last sailings at 1750 from Hayling, then 1800 from Eastney daily. If you wish to catch the ferry from Eastney, and it is not waiting at or approaching the Eastney pontoon, then please use your mobile to call 07702 928154, and the ferry will cross the harbour as soon as possible to collect you.

Last ferry from Portsmouth: 2400.
Service subject to weather and other conditions. Tickets required in both directions. Ticket machines only at Portsea. Ask at Gosport for discounted weekly tickets.

Other Transport Services Available

Voluntary Organisations providing Transport

A number of voluntary organisations in Havant provide transport for individuals. Passengers will generally be asked to contribute towards the cost of this transport, although rates will vary between organisations. For further information please telephone Hampshire County Council on 0845 603 5633*.

What is it?

Call & Go is a bookable bus service which can take you where you need to go in the Havant Borough plus Horndean, Clamfield and Rowlands Castle. Anyone whose travel needs are not met by public bus services can use Call & Go.

Fares are similar to normal bus fares. You can use Call & Go to get to shops, health centres, visit friends and relatives or leisure centres and you can even go into

Portsmouth. You can travel on Call & Go Monday/Tuesday/Wednesday/Friday between 8.30am and 4.30pm and on Saturday from 8.30am to 4pm.

If you'd like to arrange a journey, or would like to know a bit more about the service, simply call the Travel Centre on 0845 602 4135 between 9am-5pm Mondays to Fridays, or 9am-4.30pm Saturdays. Calls are charged at local rate and our friendly staff will arrange everything for you.

For more information please contact 0845 602 4135

Havant Call & Go is operated by HCCS Community Action.

Denmead Village Shopper Buses

Denmead to Fareham - This service is operated by Community Transport for East Hampshire and runs fortnightly on the second and fourth Monday mornings of each month. The cost of a return journey is £2.50.

Denmead to Waterlooville - Also operated by Community Transport for East Hampshire and runs fortnightly on first and third Friday mornings of each month. The cost of a return journey is £2.50. All passengers must initially register with Community Transport for East Hampshire to use these services and also to book a seat. Both services are wheelchair accessible and are available to the whole community. Passengers will be collected from their front door or a convenient nearby collection point.

To book please ring 01420 475759 between 9-4pm.

Answerphone available

Shoppmobility

The Havant Shoppmobility scheme provides manual wheelchairs and electric scooters for hire to enable people with mobility problems to access local shops and facilities. The scheme provides daily, holiday and long-term hire of the wheelchairs and scooters and operates between 10am-2pm Monday, Tuesday, Wednesday and Friday.

For further information contact: Havant Shoppmobility, Emsworth Centre, South Street, Emsworth PO10 7EG.

Telephone: 0300 500 8085

Email: shoppmobility@cheh.org.uk

Website: www.havantccs.org.uk

Concessionary Fares

Concessionary fares are available to men and women who reach the state pensionable age of women.

Application forms are available in your local library, Hampshire County Council or Havant Borough Council.

Telephone: 0845 045 8355*

Email: concessionary/fares@hants.gov.uk

Website: www.hants.gov.uk/concessionary-travel

LARGE PRINT BUS TIMETABLES

Hampshire County Council can supply copies on request of large print timetables.
Please contact the Passenger Transport Group on Winchester 0845 603 5633*.

See page 1 for call charges.

* Calls to 0845 numbers are free on some BT call plans but will cost between 4p (local rate) and 6p (national rate) per minute for BT customers not on a plan. Calls made using other service providers or mobiles may cost more. Alternatively call 01329 225398 – standard and local rates may apply to this number.
