

ABRORICULTURAL IMPLICATIONS REPORT
FOR
CONVERSION OF 2 PADNELL ROAD,
WATERLOOVILLE.

- 1 There are some existing trees located to the rear of the site, some located within the adjacent site.
- 2 There proposals makes no intention of extending the building towards the existing trees and therefore would not present any increased risk to the trees.
- 3 The existing trees would be protected during the conversion with all the recommended fences/requirements of the British Standards and the Local Authority Tree Officer.
