**Observations / Comments:**

Good morning Daphney,

Following from my comment on 5 February 2015, It has been brought to my attention that a document was submitted (not sure if this document was there when I looked at the application "Method Statement for Construction Management Plan" discussing methods to control what i have put in Conditions. If it is not too late, I would be happy for the condition on dust to not be included.

I hope this helps

Kind regards

Laurent
