

APP/14/00933 7 Park Parade, Havant, PO9 5AA

Please find attached drawings amended to show the fresh air and extract system also illustrated on elevations. A few more notes have been added to the drawings on waste disposal, ventilation and extracted air. Also attached photos as existing showing the rear areas of the site.

The design and access statement also ends with a brief description of the extract system.

The applicant is the freeholder of the whole of the site forming the application as submitted. The duplex over the premises is leased and the applicant as land owner will write to the occupants to advise them of his intended change of use.

I hope this information will be sufficient for you to register the application.

Regards

Ken Ross RIBA
