Dear Sally,

**Reserved matters application relating to Planning Permission
APP/10/00737 for plot 1 at Former Council Depot, Harts Farm Way,
Havant**

Thank you for the opportunity to comment on the above application to discharge planning permission conditions for the above site.

Condition 3 requires the applicant to agree the means of access thereto from an existing or proposed highway (including pedestrian, cycles, and vehicles) with the local planning authority. Because the condition relates to the internal road layout comments on this should be provided by the Havant Agency Engineer, Peter Marshall.

Conditions 4,7,8,9,10 and 12 are not related to highways and therefore I have no comments to make.

Should you wish to discuss the above please do not hesitate to contact Joe Malone on the above contact details.

Yours sincerely

Steve Jenkins
