5. What Are You Applying For?

Are you seeking consent for works to tree(s) subject to a TPO? ☐ Yes ☐ No

Are you wishing to carry out works to tree(s) in a conservation area? ☒ Yes ☐ No

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.
E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

I am requesting HCC carry out crown lift work on trees situated in grounds of Town End House, Havant where they overhang my property. Unmanaged growth of sycamore and other results in excessive overhang and nuisance with repetitive self-set plants leaves and debris. Sensitive pruning will reduce the problem without loss of tree stature. The objective is to reduce the nuisance while maintaining the health and shape of these mature trees. The subject was first raised by me 20/Aug/2013 --- cont'd.

7. Identification Of Tree(s) And Description Of Works continued ...

cont'd ...

.. with Richard Oldham (HCC Planning) followed by conversation with Mike Morris (Facilities - Aug & Nov 2013, January 2014). Richard is most helpful and referred to Trevor Baker (HCC Arboriculturist). I have spoken to Jamie Gargett (HBC Tree officer) on subject December 2013.
I delayed submitting this application to coincide with appropriate season for pruning. During week commencing 27 January 2013 I met a contractor tasked with surveying tree management on behalf of HCC at Town End House and his expert view was that my request would be reasonable. Furthermore it could be carried out alongside his survey recommendations.
I repeat my willingness to meet Council representatives on site to discuss the matter.
