

SCHEME:  Crossway Havant, PO9 1NG
PROPOSED SINGLE STOREY SIDE EXTENSION

CLIENT: Mrs Parks

**PLANNING APPLICATION
SUPPORTING DOCUMENTS**

Biodiversity Statement

- 1.1 The area to the rear of the building which is currently fully paved areas around the garden area with paved footpaths to the rear entrance, is unaffected by the works.
- 1.2 Any areas of surfaces affected by the scheme due to the need to construct a site compound for the contractor for the duration of the work will be reinstated at completion. The work will be undertaken in a single phase of approximately 20 working weeks. The programme envisages completion in the winter of 2015.
- 1.3 It is not believed that there is any special or particular rare wildlife resident in the immediate vicinity and consequently it is considered that this proposal will not have any appreciable impact on local wildlife and biodiversity.

2.0 Noise Impact Statement

- 2.1 When in use there will be no increase in noise from this proposal.
