Dear Daphney,

APP/14/01166 Demolition side extension to no 16. Erection of 1 no 2 bed detached bungalow with associated landscaping and utilising existing access. (Revised application) 16 Latchmore, Forest Grove, Waterlooville. PO8 8XG 14.1759

Thank you for consulting me on this application. Please accept my apologies for not responding to you in time for your decision. In summary, I would not have any overriding ecological concerns in respect to the works as proposed (the demolition of the single-storey side extension is not likely to entail any impacts to legally-protected species although the application is not accompanied by any ecological information) but I do concur with your assessment in respect to the requirement for contributions towards the Solent Recreation Mitigation Partnership (SRMP).

Once again, apologies for the lack of a timely response – I hope this did not present too many difficulties for you.

If you have any queries please don't hesitate to contact me.

Kind regards,

Tristan

Tristan Norton
