Hello David,

RE: APP/14/01063 – The Ship Inn, Langstone Road - Advertisements

I see that this application has now been approved subject to conditions. However, for the record, the Conservancy is pleased to see that our comments have been taken on board and has no objection to this amended application, provided the Council is satisfied that the lighting is of an appropriate level in this sensitive position within the Conservation Area and AONB.

If you have any queries please do not hesitate to contact me.

Regards,

Linda.
