Dear Sir/Madam,

**Erection of building to house gas regulator equipment at land at
Junction opposite 115 Havant Road, Emsworth**

Thank you for consulting County Planning at Hampshire County Council on the above application (APP/14/00440). As the Minerals and Waste Planning Authority (MWPA) for the Havant Borough, we have the following comments to make.

Due to the small size of the proposed development, there is not expected to be any significant impact on the underlying mineral resource - therefore, we raise no objection to this application.

Yours faithfully,

Lewis Smith
