Proposed Roof Plan 1:100

Proposed Locality Plan 1:1250

Proposed Block Plan 1:500

NOTE:

The Contractor is to check and verify all building and site dimensions, levels and sewer invert levels at connection points before work starts. This drawing must be read with and checked against any structural or other specialist drawings provided. The Contractor is to comply with the current Building Regulations whether or not specifically stated on these drawings. This drawing is not intended to show details of foundation or ground conditions. Each area depicted must be investigated by the Contractor and suitable methods of foundation be provided.
