This statement is made on the basis of information at present available to the County Council and is made on the distinct understanding that, in the absence of negligence, neither the County Council nor I as an officer of the Council is to be held responsible should you rely on this statement and consequently suffer damage.

There is a charge of £47.00 for the research into the status of this land and an invoice for this amount will follow shortly.

I hope that the above information is of use to you but should you require any further details *regarding this enquiry* please let me know.

Yours faithfully
