Dear Sir or Madam

Tree at rear of 21 Bushy Mead

We have been concerned for several years about this tree as it is very close to our house.

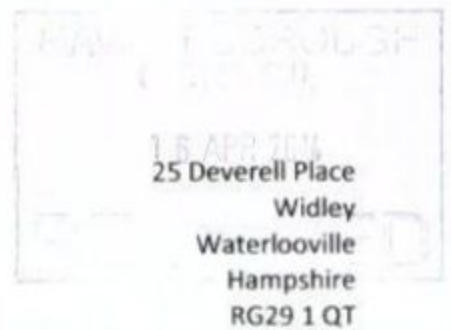

The tree was crowned in 2010 but since then several large branches have broken off the left hand side and appeared to be rotten. The tree is now lopsided and is leaning over Deverell Place. This is very worrying *especially when there are high winds. If it were to fall it would cause a lot of damage to property and possibly endanger lives.* This tree is much too big in a built up area.

Recently a large delivery truck could not get under the overhanging branches of the tree and the driver had to ask residents to move their cars so that he could get through by mounting the pavement.

The new owners of the property are keen to have the tree felled as they do not want to accept the responsibility for it and we fully understand their concerns. We would however like some reassurance that if the tree was felled and the root system caused damage to our property we would not be liable for any costs.

Yours faithfully

Kath and Graham Croft

To Whom it May Concern,

I am writing with reference to the application made to cut down the large tree in the back garden of 21 Bushy Mead, Widley.

Living opposite the tree, it has caused us concern, especially during stormy weather when it has been seen to significantly sway. In the event of the tree being blown over in future storms it could cause significant damage to the front of our bungalow and vehicles parked on the drive.

We therefore have no objections to the removal of this tree.

Yours sincerely,

Mr D Owen and Miss R Pattinson.

To Whom It May Concern

We are writing to confirm that we fully support the chopping down of the tree in the garden of 21 Bushey Mead, which backs onto Deverell Place so long as it is safe to do so and the roots do not extend under our property. Following the recent storms the tree appears to be leaning over more than before and there is concern that if we have more storms it may well fall and cause considerable damage.

Yours faithfully

Mr & Mrs Wilson
