Dear Mr Murray

AMF Bowling - Havant Retail Park

As we previously indicated in November of last year and subsequently re-confirmed last month, we have for commercial reasons decided that we will cease operating from Havant Retail Park within the near future. Operating from this standalone / non leisure park location is simply not viable and our business is better suited to larger multi leisure / retail outlets.

AMF is continuing to consider opportunities within the surrounding conurbation that are focused on family destinations of choice and we are working with the Landlord to agree an exit strategy from Havant Retail Park which has the least amount of impact on the local community.

Yours sincerely
