Hi Daphney

Yes please accept this email as confirmation of the 300mm gap as requested. We endeavour to get drawing PDF today as sent.

I hope you had a good holiday.

I visited the site today and just one concern and that is the distance of the side extension from the boundary. Can you please provide a dimensioned plan to clarify this. I took a look at the similar extension on the adjacent property where there is a gap of about 300mm and would recommend that a similar gap be provided for the current scheme.

Could I please have the above plan no later than Monday 18 August if at all possible.

best regards
