Subject: Development services Manager. Ref APP/15/OO122 Solar Panels, 13/14
Langstone High st Havant

Dear Madam,

I object to the solar panels, they ruin the appearance of the one remaining original barn in the village , which can be see from the road.

langstone village is a conservation area,and as such is protected from development which would be inappropriate to its history and heritage as a coastal village.

It is a travesty to fix solar panels (INSTALLED WITHOUT PERMISSION) on to this building.

If the solar panel are permitted it will set a precedent for others in this Conservation area.

Yours faithfully,

Marilyn Rogers.
