CURRENT PLANNING CONDITION 29.

The development hereby permitted shall not commence until details of the proposed routing for construction and delivery traffic have been submitted to and agreed in writing by the Local Planning Authority. The development shall be constructed in accordance with the approved details.

PROPOSED VARIATION TO PLANNING CONDITION 29.

The development hereby permitted shall not commence until details of the proposed routing for construction and delivery traffic have been submitted to and agreed in writing by the Local Planning Authority. The development shall be constructed in accordance with the approved details.

A temporary amendment to the approved details is allowed between the 1st May 2014 to the 31st December 2014 inclusive to enable the domestic vehicles associated with the occupation of properties plots 37-39 and plots 43-48 only to use the eastern cul de sac and the emergency link to enter and exit their properties. All building traffic associated with the development for this period of time will be confined to the western Oak Tree Drive cul de sac for entrance/exit to the site.

Reason

To avoid conflict between Building traffic and the entrance and exit of private vehicles associated with the plot numbers as specified for reasons of Health and Safety.
