The Leopard Public House, 31 London Road, Cowplain

Jenna

In respect of the above application I have the following comments:

No tree removal is required to facilitate this project. The supporting arboricultural evidence is comprehensive and provided that the methodology prescribed in this MS & TPP report is strictly adhered to the Horse Chestnut tree will survive the development unscathed and to continue to grow on safely and healthily in the future.

Therefore I have no objections to this scheme in arboricultural terms.

Thanks
Jamie

Hi Jamie

Welcome back, I hope you are feeling a little better

I don't know if you recall our site visit to the Leopard Pub in cowplain a few weeks back? Well the Arb Assessment has now been received and is attached above. If possible I wonder if you can let me know your comments? Sorry to

rush you, especially when you aren't feeling great but I wonder if I can have your comments ASAP so I can get this out before Christmas.

Thanks Jamie,
Jenna

Dear Mr Holmes,

Further to my email below the Arboricultural Officer has requested an Arboricultural Impact Assessment of the impact of the proposal on the off site Horse Chestnut located to the west of the site. I would be grateful if the assessment could be submitted to the planning department by the 16th December 2013.

Should you have any questions please do not hesitate to contact me.

Regards
Jenna

Firstly, my apologies for missing your call yesterday. The application is currently proceeding well, I am however awaiting comments from the Arboricultural Officer. I will chase this up for you today. Assuming the comments are supportive I hope to be writing my report to recommend approval shortly. Should this recommendation change I will of course let you know as soon as possible.

Many thanks
Jenna
