3. Description of the Proposal

Please describe the proposed development including any change of use:

My company Emco Education Ltd already occupies Unit 4 on the same industrial estate. Over the past 10 years unit 4 has become too small, particularly for our warehouse storage purposes. We are well established on this estate, so rather than look for a larger unit elsewhere I have purchased Unit 6 (which has stood empty for about 4 years) to allow our business to expand locally.

With some tidying Unit 6 is usable as it is, but I would like to make improvements by demolishing the existing internal scruffy office with storage above, and replacing with a new office of similar size with another room above, attached to the existing mezzanine storage floor. The additional floor area created is minimal, - only about 5 sq metres. Also add three windows to allow extra natural light as the unit is north facing.
