

Dear Planning,

Thank you for consulting us on the above application; APP/14/01069, which was received on 21 October 2014.

Having assessed the planning application with regard to the development type and location of the proposal, we can confirm that we have no bespoke comments to make.

Pollution Prevention

We recommend the incorporation of pollution prevention measures to protect ground and surface water. We have produced a range of guidance notes giving advice on statutory responsibilities and good environmental practice. This includes Pollution Prevention Guidance Notes (PPG's) for the specific activities listed below. Pollution prevention guidance can be viewed at:

<https://www.gov.uk/government/collections/pollution-prevention-guidance-ppg>

In the event of a pollution incident, all works should cease immediately and the Environment Agency should be contacted via the incident hotline 0800 807060.

Should you have any further queries, please do not hesitate to get in touch.

Kind regards,
Verity
