Subject: Yet another takeaway in Park Parade and Greywell

Hi, Daphney and Elaine,

APP/14/00933 - 7 Park Parade - change of use from A1 to A5.

I would like to request that this goes before the DMC as it has an impact on the neighbours in the maisonettes above the shop premises, and will also have an impact on the viability of the other shops in the area, as it will not encourage footfall during the daytime to the existing businesses.

If planning permission is granted for what, I understand, is to be a kebab shop, it will be the 4th kebab shop in the shopping precinct. It will also be the 5th takeaway shop in that Eastern end of Park Parade, namely an Indian takeaway and a fish and chip shop opposite, and a Chinese takeaway and another kebab shop as near neighbours alongside these premises.

Additionally there is a kebab shop in Greywell, Greggs the bakers who serve hot food to takeaway, and at the Western end of Park Parade, a new kebab shop which was recently given planning permission for change of use from a greengrocers' shop, and another Chinese takeaway. A burger van has had a licence to trade at the eastern end of Park Parade during the day.

There are also cafes which have tables outside their premises, between Zoom, the Hub, there is 1 other cafes in Park Parade, one round the corner just in Greywell, as well as the aforementioned Greggs and another café opposite Farm Fresh and Tesco further up in Greywell.

Yours,
Faith Ponsonby
