GOOD NEWS

Hi All

Everything comes to those who wait!

I have spoken with the owner of the Hayling field and he has at last given us the OK.

We are just at the start of February and the rain is generally consistent. We will have to wait for the rain to stop for a while in order that the field is dry enough to cut a patch and to allow the surface water from the recent rain to clear.

I would propose a preliminary start flying date of **1st March 2002**. On the odd good day between now and then, those who wish to fly can still use Emsworth - provided they have returned a copy of their BMFA insurance.

I sent out a letter on 29th December 2001 as a reminder to send in a copy of your BMFA insurance and to date, only two have been returned. You may have insurance but unless you send in a copy for our file you may not fly at Emsworth or Hayling. Also you may recall that the monthly subscription was suspended until we knew we had the Hayling field. We will be starting subscriptions as from 1st Mar 2002 and to bring them in line with the BMFA renewal date our year end will now be 31st Dec 2002. (was 31st Oct). Therefore the cost will be:- Mar – Dec (incl) 10 Months @ £2.00 per Month = £20.00

**IMPORTANT - As soon as you wish to fly at Hayling On or After 1st Mar 02
please telephone me on [REDACTED] ensure the field is ready.**

See you soon, Clive.
