Hi Sally,

My sincere apologies for the delay in responding, I can confirm that Natural England are satisfied that the measures set out in the report are sufficient to avoid/mitigate impact on the supporting habitat, subject to them being secured by suitable conditions. There will also be a requirement to secure the usual £172 per dwelling contribution as agreed by the Solent Recreation Management Partnership (formerly SDMP).

Please do not hesitate to contact me should you require anything further.

Kind regards
Simon
