Ask for Mr L Cairns
Date 23 April 2014

Dear Mr Weaver

4 Mill Lane, Langstone

Installation of solar panels to southern roofslope and erection of summerhouse in rear garden.

I refer to your letter dated 31st March 2014 and the detailed drawings viewed on the Havant Borough Council website concerning the above planning application.

The Board's Planning Sub Committee has considered this application and has no objection to the proposed installation of solar panels to the southern roofslope of the property. However, there are concerns that the proposed summerhouse would have an adverse impact on the landscape and have therefore decided to object to the proposed summerhouse.

Yours sincerely

Engineer to the Board
