1 Site Description

The site comprises a detached bungalow of brick and tile construction located on Staunton Avenue. It has a front garden / driveway with on site parking and a detached garage to the side of the dwelling. The front boundary is marked by a semi-mature hedgerow. The rear garden is mainly laid to lawn and enclosed by a 1.8m fence.

2 Planning History

APP/14/00698

New front porch. Extension to existing garage to form utility/ storage room.
Permission 28/08/2014

3 Proposal

This application is for the revision to existing Planning Permission APP/14/00698 for an enlargement to front porch previously approved. The dimensions of the approved porch are 1.5m by 2.85m. The proposed porch is shown as 2m by 4.2m. The enlargement of the porch means that the position of the fenestration has altered with one window and door on the front elevation and one window on the side.

7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- (i) Principle of development
- (ii) Appropriateness of the design and impact on the streetscene
- (iii) Impact on the neighbouring properties

(i) Principle of development

7.2 The site is located in an urban area whereby development is considered to be acceptable subject to other development control considerations.

(ii) Appropriateness of the design and impact on the streetscene

7.3 The proposed porch would feature a pitched roof and would still appear suitably subservient to the main dwelling in terms of scale. Overall it would not have an adverse impact on the dwelling or the streetscene.

(iii) Impact on the neighbouring properties

7.5 It is considered that the enlarged porch extension would not have an impact on the neighbouring properties.

8 Conclusion

The application is considered to be acceptable and is recommended for permission.
