Subject: RE: APP/14/00030 14 The Briars, Waterberry Drive, Waterlooville, PO7 7YH

Good morning Daphney,

Thank you for the email, I understand the argument from the applicant, and the ultimate decision to include a noise survey rests with the planning Department, However, if any business can add noise equipments when they wish, the noise background of the area will increase, and will impact potentially on other businesses and residential. I think the report is necessary to prevent creeping background noise.

I hope this helps,

Kind regards

Laurent
