For the attention of Heather Lealan

Dear Madam
RE Crabbers Nip Haying Island 14/00073

Further to the discussions concerning the above property I herewith enclose a Resubmission Application for the additional and amended works
Here has been minor windows sizes altered
Here is a double door from the Studio on to the Balcony at 2nd floor
The existing conservatory has been removed and a balcony formed on the same level
Slight alteration to the cladding has also taken place
The railings to the second floor balcony will of course be moved to the correct position as per the planning conditions

I do hope you feel the above alterations do not have any effect on the surrounding area or the privacy of local residents as opaque screening will be erected as detailed

Yours sincerely

Vernon L Jennings Assoc RIC
