WHEELWRIGHTS ARMS, 27 EMSWORTH ROAD, HAVANT, PO9 2SN

Dear Mr. Andrews,

Thank you for your letter of the 25th February 2014 and the opportunity to comment upon the application. Having considered the application I have the following comments to make with reference to crime prevention.

The cycle store is located just inside the car park adjacent to the entrance. In this position the cycle store is easily accessible from the road with little surveillance from the public house. Theft of pedal cycles is a prevalent offence within the police district. To reduce the opportunities for cycles being taken the cycle store should be moved away from the boundary and into a position with more natural surveillance from the public house.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
