Ref: Application No. APP/13/01143

Site Address: 27 Market Parade, Havant, PO9 1PY
Proposed Development: Variation of Condition 2 of Planning Permission 94/57594/3 to allow extended opening hours from 1700 to 0030 hours, 7 days per week.

I am writing in connection to the above application, which has been passed to Environmental Health for comment.

I am concerned about the potential loss of amenity to local residents from customers arriving/leaving the premises in a noisy manner, the continuation of food preparation (noise from emptying bins, noise and odour from the kitchen ventilation) through the late night opening of the takeaway. However I understand that the application is only to regularise the current operating hours, and Environmental Health have no records of complaints relating to late night opening of the takeaway.

I therefore have no objections to the application, however would request that the applicant takes all reasonable steps to minimise noise, such as reminding customers to leave quietly and not putting bins out late at night.
