Sally

I'm sorry for the delay in responding to the consultation on planning application no APP/13/00398.

The Council leases the site of this store at Swiss Road to Asda. Asda's proposal to construct a petrol station affects part of the car parking area at this store. No objections have been raised to the proposal. It will be necessary for Asda to enter into a deed of variation to widen the user clause to permit this use (subject to planning permission and all other consents being obtained). Additionally, a separate licence for the works will be required.

I confirm that we have received a Notice No 1 dated 26/04/2013 in respect of this application.

Thanks.

Richard
