Title:	Ms	First name:	Heather	Surname:	Lealan
--------	---------------------------------	-------------	--------------------------------------	----------	-------------------------------------

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

The proposed design matches that submitted in 2013 and subsequently updated via a separate application in early 2014. The advice that was received during this process was:
Following our initial meeting it was agreed that the rear elevations would be revised so that they were more in- keeping with the other elevations. The rear elevations were then updated to reflect this comment.
There was also a concern expressed that the extension and refurbishment work that was proposed would have a bearing on the view from the AONB/ Emsworth Channel area. Because of this we undertook (and photographically recorded) our field observations that prove that the proposed changes to the building will not be visible from the AONB owing to the density of the trees between the site and the shore.
