Dear David,

APP/14/00687

We are aware of the attached neighbour representation returned in respect of the above application. In response to the issue identified regarding position of windows to Block A and perceived overlooking concern- please find attached MHA sketch drawing 13-083 sk290814-1 identifying the position of grd and first floor windows relative to neighbouring building lines (Plot2 and Plot3) from topographic survey. We trust this is helpful in assessing the validity of neighbouring concern and would argue that more than sufficient separation distance has been maintained.
